Description

While running Sunseeker's Portofino 47, all the usual superlatives come to your mind, including dry ride, solid feeling and so forth. Beautifully laid out cockpit and an extended custom built bimini. The hull design ensures sporty performance with a top speed in excess of 30 knots. Below decks the plush saloon with two well-appointed cabins - both with ensembles - can easily accommodate 4 comfortably for extended cruising. Just perfect for the weekend with family or friends. the Portofino is perfectly designed for our Mediterranean climate as the cockpit space and other deck areas are large and flexible in usage while sailing along Ibiza and Formentera. The hydraulic platform will help you entertain the kids while you sunbathe on the bow or stern sunbed.
